WEIGHT OF LOVE

By Donna Milham

Cling to the Rock of Revelation

Jesus is the Rock

He is Love

Weighty Love

We cling and sink deeper into depths of selfless love

We sink to depths of 'deep calls unto deep'

Into true fullness and the reality of the 'WORD'

Depths of His Love bring us to the heights

Depth of Sacrificial Love

Clinging to the ROCK

We thought at times we will soar as eagles

And we have and we will

But to soar one must go to the depths with Him

John on the Isle of Patmos

Island of Rock

Revelation met him there

He had laid his head on the Rock in the upper room

He was at the cross at Golgotha

The place of the skull

A rocky empty place

And he embraced THE ROCK and went

Deep deep deep into LOVE HIMSELF

He saw the ONE who would come again - THIS BURNING ONE

Cling to the ROCK -

Weighty love

It will bring you to the end of self and fill you with all of Him and all He is bring you up

to the surface of life

Shooting forth like a star

Brilliant in Light and Love

Depths of ocean floor

Heights of Heaven's skies

Not either/or BOTH

Cling to the Weighty One

Weighty Love

And go into the depths of LOVE
This is the WAY – if anyone WILL
Cling to the Rock – Oh let Love itself
Bring you to the depths of death of self and of all that would hold you back
From running tiptoe the race in step with Love HIMSELF
Can you see yourself sinking deeper and deeper – breathe underwater now
Lord I am dddyyyyiiiiinnnnngggggg.....
Drowning.....I can't breathe
RESURRECTION BREATH HIMSELF comes and mouth to mouth Breathes into you and whispers
I KNOW MY LOVE – enter into weightlessness
No burdens of earth realm here in the depths of holy surrender
You cannot cling to your life and to ME at the same time and live in true holy love
Cling only to ME to ME to ME.....
Deeper we go
Here we go again.....blub, blub...blub.....
Breathe underwater

Depths of gems of mysteries of Covenant Love
Gems – I see light now on the oceans floor
Yes – gems of mysteries of Divine Revelation
These gems are men's signet rings of My Favor
Not worn on fingers but imparted into hearts
To bring forth priestly kingly decrees of Holy Kingdom Love
Ahhhhhhhh depths
Man does not know what is hidden deep in place of weighty love
Costing everything to bring us to weightless holy dependency
Clinging – daring not let go of the ONE WHO reveals the mysteries of our hearts and all of Eternity
Lay hold of Him, never let go
When flesh cries – no deeper – stop – I can't go any farther
Let your spirit man rule and arise
More Lord – Deeper Lord
Don't stop
Deeper into Covenantal Love
Until Love itself is all that is left
Acts 17:28
28 For in him we live and move and exist. As one of your own poets says, 'We are his offspring.' NLT
For in Him we live and move and have our being
Holy Love walking the streets AGAIN
If anyone WILL
Holy Eyes looking straight into a man's soul and heart
Without compromises or apology –
No programs
LOVE ITSELF – left Heaven and walked earth
Asking the Eternal Question
He asks – may He walk again – through you and me
Walk of holy lovers in holy love through holy abandonment
Living lives from holy depths
Deep calls unto deep
The true cry of the cross echoing again
And the true cry of the Bride is being stirred
“I want YOU to receive the joy....the reward....”
Not what do I get Lord if I follow You
Not 'this is what Jesus will do for you if you accept Him....
BUT here I am – all of me
BUT it will cost you everything
That He gains His reward
Living Martyrdom
Too costly
Not in light of Eternity
For ALL Eternity

ALL of time you will rule and reign with Him
Or sit in farthest place in Heaven – saved – there – living on earth
Forever – new heaven and new earth
THERE – begins HERE
Choose NOW for all of ETERNITY
There is favor
There are differences in heaven
The ones who went to depths on earth
Will arise to greatest heights in New Kingdom and New Earth
In view of that
Will you cling to go to depths of His Heart of Love
To rooms and chambers so few are willing to go
And will we run
Will we run
To our own death
That HE MIGHT BURST FORTH AGAIN AND AGAIN
Suddenlies walking the earth through you and me
You are somebody's suddenly when your life is not your own
HE is their suddenly INSIDE OF YOU..
What will we bring them to?
 Religion
 Programs
 Reliance on man's methods/ways
 OR Intimate Places of Him and His Heart
A tribe of lovers
 Clinging in holy desperation to the Rock of Revelation
 And on this Rock I will build My House!!!

Fix Your Gaze on Me

By Karen Elliott

I tell you the truth, in this hour **DO NOT** look to the left or to the right. There is **MUCH** to look at. There is much commotion on the left and on the right, even within the church itself. Although it may seem good, much of it is designed to steal your focus. Do not look - do not look - do not look! Fix your gaze on Me only. **I AM** the Way, **I AM** the Truth and **I AM** the Life. **I AM** your ever present help in trouble. **I AM** your Strong Tower. **I AM** your Fortress and **I AM** your deliverer. Ask Me for wisdom in this hour upon the earth, for I will give My wisdom freely to those who ask. You will need wisdom to navigate through the many things that seem 'good'. You will need discernment to navigate through that which comes from the Tree of the Knowledge of Good and Evil. Eat from Me, for **I AM** the Tree of Life. **I AM** in front of you! Fix your gaze on Me.

LIGHT
by Lupe King

**...Coming in full focus...
Nothing hidden, nothing seen,
can crawl away and hide**

**Full view...
we come face to face
with every part of us
that must die**

**Can we deny the urgent cries
of pain, revealed within our
unhealed selves?**

**Crying out in desperation...
Scratching, clawing...
In our rebellious ways,
desperately, desperately, trying to
“save ourselves!”**

**Thrashing and fighting 'gainst
He that is trying to save us
from our own darkened,
deluded selves.**

**Holy strength in Holy arms
dominates our every move
...for our very own good!**

At times we come through things in our lives and wonder “why?” We cannot see the purpose or the reason behind our existence. Indeed at times we wished we had perished.

For a season we are useless to ourselves and everyone else. We find no reason or rhyme and all we are good for is to sit and contemplate on the reason for our existence or grieve over it.

It is in this place of desperation; physical, mental, and spiritual, that sooner or later a light starts to emerge and we start to be absorbed by its clarity and its cause.

We search for the reason for this “light”; there is no logical explanation for it, it has come totally on its own and we bask in its warmth.

Holy enlightenment has finally come, breakthrough is unmistakable and undeniable.

He has come and made His Presence known, it is “Jesus in us, the Hope of glory!”

A light has dawned which can never be quenched or snuffed out. It can never be mistaken for anything earthly or man made.

Its divine nature lives within each and every Child of God and exists eternally, it is ours forever, “come hell or high water,” it can never be taken from us.

We are walking “Light” because of God’s divine nature in us through His holy DNA. We are everything He created us to be and can do all things through He who is made strong in our weaknesses.

SACRED PLACES

Psalm 42:2 "Where Can I Go and Meet With God"

By Judy Johnson

The other day I received an artist newsletter. He referred to an artists studio as a "throne room" and the artist as the "priest". I thought how as an artist thats so true for me. My studio has become a sacred space. When I enter it, shut the door, pop HIS music into my CD player, I'm on holy ground.

Then I began to think about the other sacred places in my life, that special spot that beckons me to "come and meet with my God". My high-backed rocker in front of the fireplace in winter, or in summer, sitting in my adirondack chair, where I sense the velvety touch of morning in my garden. I recently got a different car with a CD player, and recalled that my car would again become a place of worship and praise. Then there are the places I only infrequently visit, the base of a waterfall, sitting alongside a creek, strolling barefoot at low tide, or the summit of a mountain top with broad expanses of sky and land merging on the horizon.

These are just some of the sacred spots that make it easier to enter the "secret place" where faithlessness and fears submit to truth, places I come with expectancy to be refreshed and establish my heart again and again in things that matter, and then to receive strength, courage and faith to press on to the people and places that matter to HIM.

Where are your sacred places?

The Wind of the Spirit

By Karen Elliott

Listen for the sound of the soft wind.
Watch as creation responds to its touch.
This is the Wind of My Spirit.
Turn your face towards its gentle blowing and
Smell the fragrance that is carried upon it.
It is the fragrance of the One who is coming back.
See how creation dances with excitement at My wind.
Each blade of grass responding, each leaf
Fluttering in a spontaneous dance of freedom
Each flower petal swaying gently.
Listen to the birds singing their songs of joy and
Calling to each other in anticipation.
You see, creation is responding to the Creator in
Understanding that the Sons of God are rising.
The groaning of creation is turning into song and dance
And celebration as these sons arise and come into the
True manifestation of Christ in them, Who is the hope of glory!

At Your Feet

by Hannah Duris

Age 10

Here I am at Your feet
Come on down and dance with me
I know I am not worthy
But I beg for Your mercy
Lord I'm at Your feet now...
I see You at the door
So perfect in ever way
Lord, I say, make my brothers and sisters
perfect in every way.
Lord I beg for Your mercy.
Oh, please

## Your Peace Washes Over Me

By Deanna Rodriguez

Your peace washes over me,  
at first like a light summer rain.  
It refreshes me and cools me  
from the heat and pressures of the day  
As the Holy Spirit intensifies my sensitivity to Your presence,  
I realize the rain has become a deluge,  
but for me it is as if a soft down comforter  
has been wrapped ever so snugly around me.  
I am safe and secure under Your wing  
And then I smell the fragrance of Jesus  
and realize the rain is no more.  
The Son is shining brightly over me.  
He is calling me up, to run with Him  
to leap upon the mountain tops.  
He is my beloved,  
the desire of my heart and focus of my passion.  
I feel fulfilled in His love for me —  
Yes, it is enough.  
It's the foundation I stand upon each day,  
Where I draw my cup from,  
That easily runs over...
